Cut Flowers for Sale, also African Violets, Geraniums, Sultanas and other House Plants.

We raise seedling plants of annuals, perennials and vegetables in season, and have nice divisions of Daylilies, Tritomas, Silver King Artemesia, Primula and Siberian Iris for sale.

We also handle EERTO-POTS. Pot and all goes into the ground without disturbing the root system, and continues to feed the growing plant. Ideal for seedling plants, cuttings, etc.

EERTO-POTS come in #2 $\frac{1}{2}$ and #3 (approximate diameter in inches). #2 $\frac{1}{2}$ is best suited for growing plants of smaller vegetables and flowers. #3 for growing tomatoes, melons, chrysanthemums, zinnias and geraniums.
